WELCOME TO THE 2019

HUFGLOCKEN

GRAND NATIONAL CHAMPIONSHIPS

On behalf of the Show Horse Council of Australasia (SHCA) I would like to welcome you to the 2019 Hufglocken Grand National Saddle Horse and Rider Championships held at the Sydney Internal Equestrian Centre (SIEC) from Tuesday 26 March to Saturday 31 March 2019.

In 2019 we celebrate 27 years of the SHCA Grand Nationals. A lot of hard work, determination and commitment over many years has helped the Grand Nationals to grow into the largest and one of the most prestigious events on the Australasian Show Horse calendar. This year we welcome almost 500 horses occupying in excess of 2100 stables; 248 rider-class competitors; more than 20 New Zealand riders, involving a combination of their own and 16 loan horses; competition in 51 classes and 8 feature classes: a huge 5 days of showing.

The 2019 Grand Nationals also sees the inclusion of 18 Young Horse classes that will culminate in the announcement of Grand Champion Young Show Horse and Grand Champion Young Show Hunter. Young Horse classes were introduced in 2018 as additional Grand National qualifying classes; however, at this stage, these will not continue for 2019.

In accordance with tradition, highly respected and eminent international Show Horse judges have been invited to officiate. I would like to extend a warm welcome to our judges, Georgina Maywood (UK), Sarah Kellard-Smith (UK), Kevin McGuinness (IRE) and Vanessa Everton (NZ).

As I often promote, it takes a lot of people to help deliver a successful equestrian event, and a polite expression of thanks means the world. Of particular note is the amazing support that we receive from sponsors, many of whom have been long-term sponsors and supporters of the Grand Nationals and the SHCA itself. I'd also like to thank Hufglocken for their sponsorship and partner-naming rights for the second successive year. It's extremely important that everyone involved with the Grand Nationals take the time to personally thank the sponsors and trade stand holders who help make this event what it is. Most importantly, I implore competitors to make the time to thank your class sponsor; it means so much to a sponsor to be individually thanked.

It is very important that we acknowledge and respect the history of the SHCA and the Grand Nationals. In 1984, the Hack Council of NSW was created with 12 Affiliated Associations. In 1999, the NSW Hack Council became known at the Show Horse Council of Australasia (SHCA). With the introduction of a new Constitution in 2000, the non-NSW clubs became known as Constituent Affiliates and were provided with voting rights.

The first NSW Hack Council Horse of the Year (HOTY) was held in 1991. In 1992, the inaugural Grand National Saddle Horse and Rider Championships were held at Horseworld, NSW. As NSW was not permitted to attend the 1991 EFA Nationals, the Grand Nationals were developed to provide the NSW Hack Council HOTY winners an opportunity to compete at a higher level, against Royal Show and other Show winners.

To the hard-working GN2019 Subcommittee and Event Coordinator who have worked tirelessly in producing this event, I say 'Thank you'. To the volunteers who have committed to providing support throughout the Grand Nationals, I confirm that your efforts and commitment to the sport are appreciated by everyone. To the mums and dads, spectators and supporters, 'Thank you' for your support in making the Grand Nationals such a successful event. To the competitors and exhibitors, I wish you the greatest of success over these 5 days of amazing competition.

It is with great pleasure that we confirm that the 2020 SHCA Grand Nationals will be held a SIEC from 31 March 2020 to 4 April 2020, in the week leading into the Sydney Royal Easter Show.

GT PERFORMER

It's a highly palatable appetite enhancer. We have added all important prebiotics and probiotics to assist in benefiting:

- ✓ Establishing proper gut function
- ✓ Preventing and healing ulcers
- ✓ Enhancing coat and hoof condition
- ✓ Improving appetite
- ✓ Improving attitude
- ✓ Increasing nutrient uptake
- ✓ Increasing vitamin production and mineral uptake
- ✓ Reducing factors for laminitis and colic

In the natural environment a horse eats for 16 to 18 hours a day with constant fibre and beneficial, naturally occurring salivary bi carb being ingested and passed through the gut neutralising the acid in the digestive system. In captivity, we are often unable to recreate the natural habitat for our horses so the use of GT Performer is recommended as it assists in recreating that effect in an all-natural formulation.

When scoped, an average 80% of performance horses have gastric ulcers, but intestines and hindgut do to. On concentrate diets not all carbohydrates/starch are digested in the foregut but overflow into the hindgut feeding lactic acid producing bacteria which can cause ulcers and a poorly absorptive gut wall.

GT Performer can assist in stabilising the microbes of the hindgut so the beneficial bacteria can proliferate resulting in a reduction of hindgut acidosis allowing normal fermentation and digestion to resume.

Immunity and anti-inflammatory effects of beta glucans can assist the Vitamin B in reducing stress on the horse and promoting healing of the mucosal lining of the gut where up to 70% of the horse's immunity comes from.

With the added benefits of being:

- ✓ Non swabbing
- ✓ All Natural
- ✓ Made by a **VETERINARIAN**
- ✓ Australian Made & Owned
- ✓ Highly powerful formulation
- ✓ Designed for year round usage
- ✓ Safe for all disciplines

"GT Performer is an exciting equine feed supplement promoting a healthy hind gut to support optimal performance within all of the body systems within the horse." - -Dr Geoff Tyre B.V.Sc

I cannot thank GT Performer enough for this wonderful product."

Profile – Vanessa Everton

I live in the Waikato and have a very supportive husband and two teenage girls who compete at a competitive level. I have ridden all my life, my first major title was when I was riding ponies, my love and passion has grown from here.

Once I moved on to horses, I have always produced my own thoroughbreds and ponies as I love the satisfaction of bringing on a young horse and achieving my goals.

I have won many major New Zealand Show Horse Council and Horse of the Year titles ranging from ponies, lead rein, hacks and saddle hunter.

I still compete and have collected major wins this season.

Profile – Sarah Kellard-Smith

Sarah is a well respected International 3 Day Event Rider, Coach and Show Judge based in the UK.

Sarah then married and has two talented young girls who have ridden in the show ring and evented very successfully under her coaching and supervision, they are now at University studying.

TRUE HEALTH BEGINS IN THE GUT

Like every horse owner, you want your horse to look great, feel great and be fun (and safe) to ride. A healthy gut goes a long way to achieving all this. Nothing replaces a good diet or reducing the stress in your horse's life. But once you have those boxes ticked, he might still benefit from a little extra help.

DIGESTIVE EQ is a **gut health supplement** that is platinum standard. It is designed to support the digestive and immune systems of your horse.

DIGESTIVE VM is the ultimate **vitamin, mineral and amino acid supplement**. It is designed to complement and be fed alongside Digestive EQ,

Molly Lord Memorial Award

Molly loved her horses and from an early age she showed passion and dedication to her riding beyond her years. She was a quiet achiever who displayed great sportsmanship to all her fellow competitors in every event she competed in. She had many great achievements but her greatest aim each year was to ride at the Grand Nationals. Molly attained this goal year after year and in particular she loved to compete in her riding class. In 2012 she rode her beloved home bred Billy (Kaesbrook Gladiator) with such pride and determination, she was a joy to watch.

The Lord family is honoured that Molly will be remembered in such a special way this year at the Grand Nationals and know that she will remembered by many for years to come for her grace and dignity and most importantly her love of her horses and her love of family and friends.

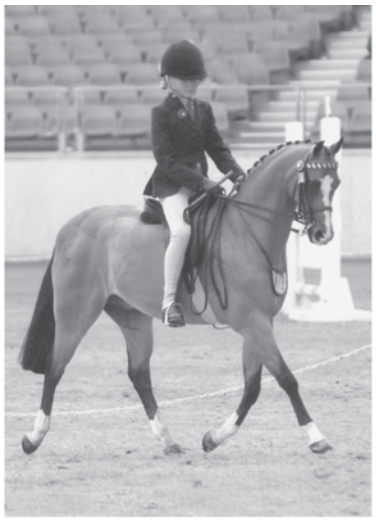
LANGTREE CARTIER (1995-2015)



Langtree Cartier winning at Sydney Royal Easter Show.

Arguably the most widely admired and successful 12.2 Show Pony of his era, the wonderful Langtree Cartier passed away recently at his home and that of his owner and breeder Jan Langley of Langtree Stud. By Fairley Temptation, out of the Rotherwood Acrobat mare, Weston Chantel, he was born in 1995 and commenced his prolific career under saddle in 1999.

His early saddle career was with Karen Evans and her daughter Rebecca Lockhart. Later that year, Jan Langley purchased him back and Suanne Vale and Zoe Kuttner started riding him, during this time he won many awards in Victoria including wins at VASA, Barastoc and the National Riding Pony Show and runner-up at Grand National. Dale Plumb took over producing him and Whitney Hunt took over the ride winning Champion at Sydney Royal and Melbourne Royals.

A true showman, who won everything there was to win, at a time when 12.2 ponies were at their strongest. Judy Cowie and I purchased Cartier, in mid 2002 for my daughter Jordan to ride and we enjoyed a highly successful period in his illustrious career. During the time we owned him, he won Grand National, EA Nationals and was Supreme at the National Riding Pony Show, twice Champion Ridden Riding Pony at Sydney, Champion Small Pony at Canberra, Adelaide and Reserve at Sydney and Brisbane and also won at our Queensland HOTY both for EA and SHC.

I have never judged or seen a more correct pony than Cartier, who had three incredible paces and covered the ground like no other. Most of all we loved his personality, as he was just the perfect pony at home and during this time he developed a special bond with Jordan and June Larsen who looked after him at shows. We sold him towards the end of 2004 to the Durante family who continued his success.

Whilst we have been fortunate enough to show a number of Royal Show winning 12.2 ponies over the last 15 years, and whilst all of them were beautiful ponies, none were "Cartier" and we were very privileged to own him.

Since his retirement in 2008 when Jan bought him back, he had many visitors at Langtree. We were fortunate to visit the stud a few months ago and see him in his river side paddock for the last time. We were all blessed to be part of his story.

Silkwood April Showers Trophy

The Silkwood April Showers trophy is presented to the winner of the Grand National Small Saddle Galloway in memory of the late Silkwood April Showers. The chestnut riding pony mare by Rotherwood Windswept and out of Silkwood Acushla was purchased by the Worsley family in 1995, and went on to win the Grand National Saddle Galloway in 1996, Top 5 in 1997 as well as a Horse of the Year title, and many wins at Royal and National level. As a broodmare, Silkwood April Showers has produced top quality foals for Nottingham Park, with her first foal Meteor Showers already taking out a Runner Up at Grand Nationals, and her other progeny winning at National level in both the show and dressage arenas. Silkwood April Showers sadly passed away in 2013 at the age of 24, and the Worsley family are pleased her legacy will continue through her beautiful progeny.

The "Royalwood Merry Music Trophy"

A celebration and recognition of the wonderful contribution this little mare has made to our current and future show horse champions. It gives us great pleasure to have the opportunity to present this trophy. We at "Royalwood Stud" are so proud of this pony who herself went on to claim many POTY titles, Royal Show Champions, a National and Grand National Title.

"Mighty oaks from little acorns grow"

The dam of the most influential and successful current Riding Pony sire "Royalwood Boy Soprano". "Blackie"as she is affectionately known, was sired by our once owned Oakvale Serenade (Syon Royal Portrait imp. UK) x Syon Petite imp. UK (sod Keston Tribune UK). Merry Music is the combination of so many successful English blood-lines and now the granddam of so many current major winners and title holders across our continent and abroad to NZ and UK. I see her presence, beauty , quality and grace in all her and Soprano's stock. May her greatness continue to carry through.

Thank you Show Horse Council for this opportunity.

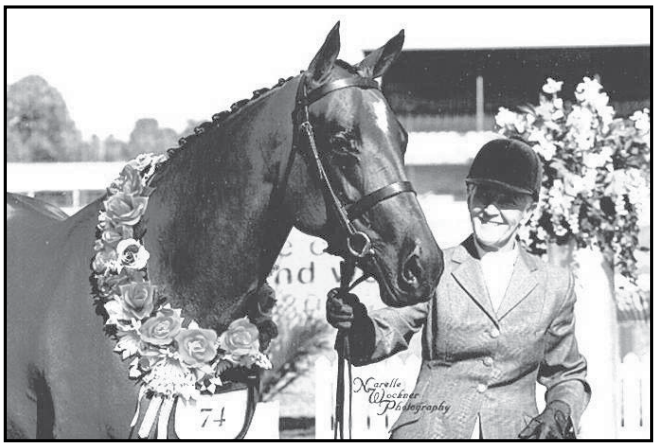
The Elizabeth Bower Memorial Trophy



Lizzie Bower was always passionate about horses. From early on Liz loved showing horses and managed to find the time to do so around marriage, children and work.

Liz was a regular competitor at Sydney, Brisbane and Canberra Royals and for many years enjoyed wins with her beloved Elmcroft Remington and Clifford Park Classic Rose.

A well respected Royal Panel Judge, Liz thoroughly enjoyed her judging appointments. In Liz's words she would often say "I could not think of anything I would rather be doing than to be here judging quality horses amongst great company".

Liz always preferred the traditional Heavyweight Galloway and when Show Hunters came onto the scene it seemed only natural that they became her new love. Clifford Park Classic Rose, the mare that Liz bred, became her new pride and joy with immediate wins in Show Hunter classes at Pacific Coast, Northern NSW Championships and Sydney Royal.

Liz is someone that's smiling face and friendship is sadly missed and it only seems fitting that a memorial trophy in her honour be presented to the Champion Large Show Hunter Galloway at the Grand National Show.

Australian Stock Horse the "Breed for every Need"

GARRY ROBSON MEMORIAL AWARD

Garry was fortunate to have enjoyed a lifelong involvement in many different facets of the horse Industry, this included breeding/racing and training thoroughbreds, pony club, dressage, breeding and showing Riding Ponies, Galloways and Hacks.

Garry trained race horses at Ballina for 10 years recording over 100 winners; after retiring as a race horse trainer he held the position of President of the Northern NSW Racehorse Owners and Trainers Association and then successfully took up the breeding and showing of Riding Ponies, Galloways and Hacks.

During his time as a long term President of the Northern NSW Show Horse Association it went from being a small Association into the successful holder of the extremely popular Northern NSW Hack Championships, a GN Qualifier. Over this period Garry was an active Delegate to the Show Horse Council of Australasia and was its Publicity Officer. Despite ill health Garry continued to follow his and his family's interests in horses, he was much loved, admired and respected by his wide range of friends in the Show Ring fraternity.

Garry also enjoyed judging and took great pleasure in accepting judging appointments including Sydney Royal, Barastoc, SHC Horse of the Year in Sydney, Toowoomba Royal and the New Zealand Grand National.

His family believe that Garry would be very proud and humbled that the members of the Show Horse Council of Australasia would dedicate the Small Open Hack in his memory.
